

# MINING MACHINES & ANCILLARY EQUIPMENT

## DESIGN, SUPPLY:

### Feeder Breakers & Belt Feeders

- Low profile underground machines
  - 2,000tph production
  - Fracture materials up to 30,000psi
- In-pit units for 30,000 – 40,000psi materials
- Mobile belt tail ends

### Drill

- Hydraulic rotary or hydraulic percussion rotary drifters
- Single or twin boom
- Dual powered, diesel hydraulic, or electric hydraulic
- Face coverage up to 18.9m x 12.2m

### Roof Bolters

- Bolts up to 11ft long
- Patented “Centra-Stinger” placement
- Hydraulic rotary or hydraulic percussion rotary drifters
- Single or twin boom
- Dual powered, diesel hydraulic, or electric hydraulic

### Scaler

- Reach up to 48.5ft
- Scaling pick provides high breakout force for efficient scaling

### Utility Vehicle

- Configurable bed options:
  - ANFO Truck
  - Fuel & Lube Truck
  - Man Lift
  - Scissor Lift
  - Telescoping Crane
  - 6-person Quad Cab
  - 9-person Personnel Carrier
  - Dump Truck
  - Flatbed Truck
- Four wheel steering for enhanced maneuverability and turning radius
- Oscillating articulation joint allows mounting of all 4 jacks on rear chassis
- Battery powered for zero emissions
- Climbs 25% grade

# MINING MACHINES & ANCILLARY EQUIPMENT

## Mining Grid, Rock Mesh, & Roof Mats

- Strong, lightweight, flexible, and corrosion-resistant polymeric grid
- Safer, faster, installation than chain link or welded wire mesh
- Flame retardant

## Ventilation Ducting & Curtains

- Ventilation ducting (positive and negative pressure, spiral)
- Strip or Velcro strip curtains
- Brattice curtains

## Miscellaneous

- Hoists and winches (electric, pneumatic, or hydraulic)
- Mining chains (round link up to 32mm, DIN spec)
- Cutting heads, drill bits, custom designed

## SUPERVISION, INSTALLATION:

Field supervision or installation of systems or components is available as required.

## SUPPLY CHAIN MANAGEMENT:

Torrox has expertise in all aspects of supply chain management including import/export, transportation, storage, just-in-time inventory management, multi-year supply contracts, etc.

## OUR SUPPLIERS:

**FENNER DUNLOP**  
ENGINEERED CONVEYOR SOLUTIONS

**VOITH**

**Tensar**

**MITSUBISHI**
